1. For the church, may it come together as a family to comfort those who mourn.

2 For the clergy, may they continue to guide and lead us whenever we are feeling down or in a difficult place.

3. For our world leaders, may they come together as one to end all violence so that we can all become one family.

4. For the needy, may those who are in need of a passage to God find someone who will lead them in the right direction.

5. For all those who need love and peace after they lose someone close to them, that they may find love and peace and comfort.

6. For the community, may our family here at Epiphany school learn to be kind to each other.
